Draft EPA Comments on WDEQ Permits Referenced by BLM-11-18-16.docx

Hi Everyone,

Based on comments from Chris and DJ, I have modified the draft permit comments (version dated 11/18/16) to send to BLM-WY. We have tried to just key in on the important issues; especially the drill rig fleet permit.

Sara, please advise if you have any additional thoughts and too, please see what I have included in our draft comments (re: am I on base here?)

Based on Sara's review, we should then finish the comments and have Carl's review too. We should then send them to the BLM as early as we can next week.

Thanks for all of your folks' help!

Tim
